From (Name) M. R. Ry. W. Srinivasa Rao Garu,

(Designation) Commissioner, Hospet Municipality,

Hospet.

To The Secretary to the Government of Madras,

Local Self Government Department.

Vice chairman.

Sir,

The pay of the Municipal Lorry Driver as fixed by the Council was Rs. 30/- prior to the receipt of the revised scales and designations of Public Health Establishment from the Government in December 1934. The lorry Driver, Peersahib who is a permanent incumbant was drawing Rs. 30/- per mensem from the date of his entertainment in service from 1928.

(K) G.O. No. 2884 P.H. dated 17-12-1934 fixing the grades, designations, salaries and allowances for Public Health Establishment was adopted by this municipality in Resolution No. 105 dated 21-3-35. Since then the pay of the Driver has been reduced from Rs. 30/- to Rs. 28/- which is the maximum pay fixed by the Government in the said G.O. He has been

adversely affected by the application of the revised scale. He has been repeatedly requesting that the excess over the prescribed scale may be treated as personal pay and his case has been strongly recommended by the Municipal Health Officer.

The scales recommended in G.O. No.2884 P.H. dated the 17th December 1934 are intended mainly for District Boards and are only commended to the Municipalities for adoption. Further, the Government in their memorandum No. 19372-A-1-E-1-P.H. dated the 22nd May 1935 have ordered that, pending issue of separate orders for municipalities, such of the Councils which have not so far adopted the scales of pay fixed for District Boards in G.O. No. 2884 P.H. dated 17th December 34 need not now revise the scales of pay of their Public Health servants. But as this Municipality had already adopted the said scales it could not consider the case of the driver with out the special sanction of the Government.

As the Driver was drawing Rs. 30/- prior to the receipt of the Government scales I recommend his case as one of genuine hardship and request the Government to be pleased to allow him to draw his original pay, treating the excess of Rs. 2/- as personal pay. Similar concession has been shown by the Government in respect of subordinates of other establishments, the scales of which have been regularised. I request the Government to extend the same generosity in respect of this particular individual also, and pass favourable orders at an early date.
